

## Autistic Spectrum Disorders: Best Practice Guidelines for Screening, Diagnosis and Assessment

Provides a consistent and comprehensive base of information for screening, evaluation and assessment of persons with autistic spectrum disorders (ASD). Developed by the California Department of Developmental Services and based on current research and professional consensus. 184 pp. \$15

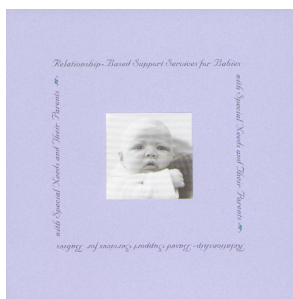

## Transfer of Knowledge Symposium on Child Care for Children with Disabilities and Other Special Needs: Summary of Proceedings

This report captures the events of the first-ever "Transfer of Knowledge Symposium on Child Care for Children with Disabilities and Other Special Needs: Summary of Proceedings" conducted in November 2002. Multidisciplinary teams representing 51 counties partnered to create local action plans that addressed the challenges of locating and maintaining quality child care for this unique population. 40 pp. \$10.95

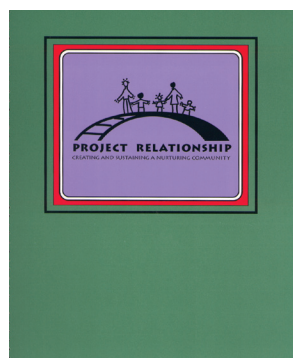

## Relationship-Based Support Services for Babies With Special Needs and Their Families

An easy-to-read booklet on the importance of the parent-child relationship and the importance of early social-emotional development. Describes the feelings parents may experience in response to having a baby with special needs and how the parent-child relationship may be affected by these feelings. 16 pp. \$1.50/copy or package of 50 for \$50. (Also available in Spanish)

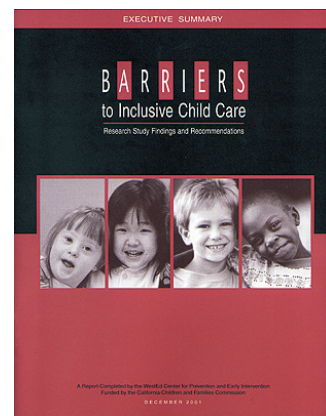

## Project Relationship: Creating and Sustaining a Nurturing Community

Video and Companion Training Manual used in an inservice setting facilitated by a Project Relationship Trainer. Video: 41 min.; Training Manual: 113 pp.

## Barriers to Inclusive Child Care: Research Study Findings and Recommendations

This year-long study conducted for the California Children and Families Commission identified existing barriers to child care for children with disabilities and other special needs such as access to high quality programs, insufficient parent and provider information, and lack of advocacy in order to obtain these services. 234 pp. \$20 (Includes Executive Summary).

## Funding Inclusive Child Care: Resources to Support Children with Disabilities or Special Needs in Child Care Settings

Information brief describing a variety of resources that support children with disabilities in inclusive child care settings or as part of a larger disabilities service system of which child care is a part. 8 pp.

## Effective Practices in Inclusive Child Care

Information brief summarizing research, references, and resources related to inclusive child care practices. 5 pp.

## Technical Assistance Materials for Inclusive Child Care

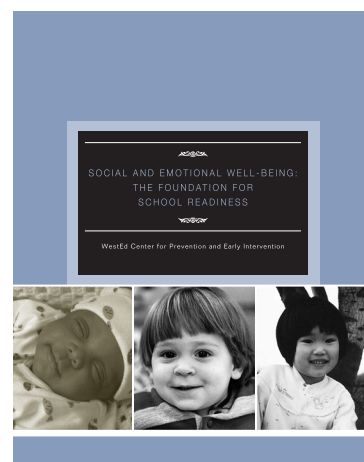

Set of materials that provide information and guidance on child care for all children, with a special focus on children with disabilities and other special needs. 41 pp.

## The Paraprofessional's Role in Inclusive Classrooms

This two-part staff development training DVD provides introductory information on the roles and responsibilities of paraprofessionals who are supporting students with disabilities in general education classrooms. Video: Parts 1 and 2: 30 min. each. Free.

## Social and Emotional Well-Being: The Foundation for School Readiness

Describes the evolution of infant mental health as a critical field of study and practice in California, beginning with the Infant Mental Health Workgroup Recommendations in 1996 to the Infant Mental Health Development Project to the Infant-Family Mental Health Initiative and to the Infant, Preschool and Family Mental Health Initiative in 2004. 48 pp. \$9.95.
